NOVEMBER AND DECEMBER

HIGHLIGHTS:

The spirit of Fall

Our little ones immersed themselves in creative arts and crafts. Their tiny little hands were used to make turkeys, leaves, trees, and reindeer as the daycare was a hub of artistic exploration.

Thanksgiving and Christmas

The children's eyes sparkled with excitement as they engaged in themed activities, celebrating the joy of Thanksgiving and the festive spirit of Christmas.

In Stamford the children painted a giant pumpkin and participated in Holiday week, when the different themes for each day included Crazy Christmas Sweater Day, Christmas Sock Day, Costume Day, and Pajama Day!!

JANUARY ADVENTURES

As we welcomed the new year, January brought a burst of sensory activities.

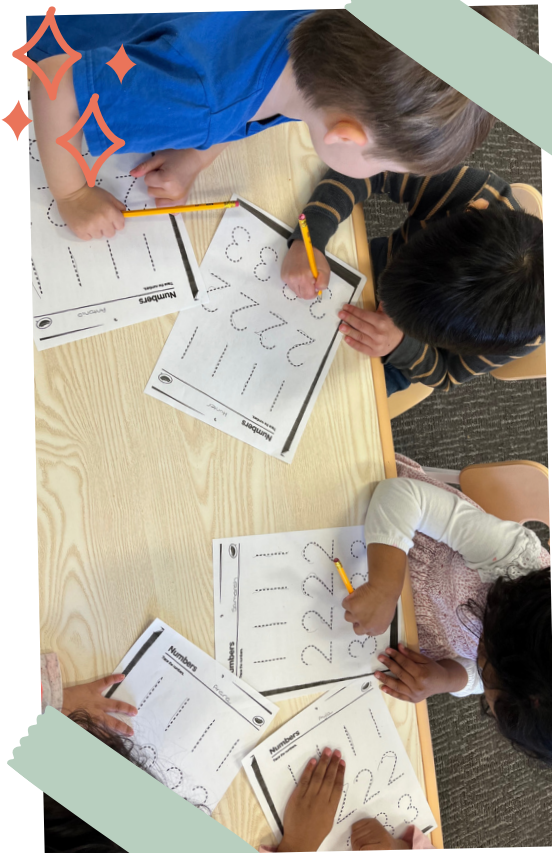

What's happening this month?

what we are learning

Shaving cream and colorful paint became the stars of the show, providing a delightful and messy play experience that the kids absolutely loved.

Meanwhile, our toddlers and preschoolers embarked on a bilingual journey, exploring the world of numbers in Spanish. The enthusiasm and curiosity of our little learners are truly inspiring.

Volcano Day

During our "Volcano Day" at Watch Me Grow, the children participated in an exciting experiment. Using oil, water, food coloring and an effervescent tablet, creating impressive volcanic eruptions in an activity that combined fun and learning.

Learning Through Play:

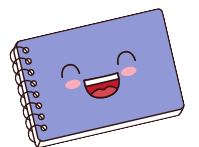

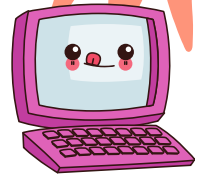

At Watch Me Grow, we believe in the power of play as a tool for education. Our carefully crafted activities not only entertain but also foster crucial developmental skills. From fine motor coordination during arts and crafts to cognitive development through language learning, each playtime moment is a step toward holistic growth.

It's a little early but on May 11th, the day before Mother's Day we are planning to have a Mommy Meetup (location to be determined).

We are also planning to have a meet up for the Dads on June 15th. We appreciate your trust in Watch Me Grow as we strive to create a nurturing and stimulating environment for every child.
