

February Newsletter

In February, our students embarked on a whirlwind adventure through Groundhog week, Friendship week, Dental health week, and Ground Transportation week!

Each week, children dove into activities that mixed learning with a whole lot of fun!

In the first week of February, children dove into the mysterious world of shadow! They also unleashed their creativity with groundhog-themed crafts and matching games, turning learning into a shadowy funfest!

Children also had a friendship party with their classmates! They swapped Valentine's Day cards and unleashed their inner artists with heart-themed masterpieces! Teachers worked with children on social and emotional skills to buildup their friendship making abilities!

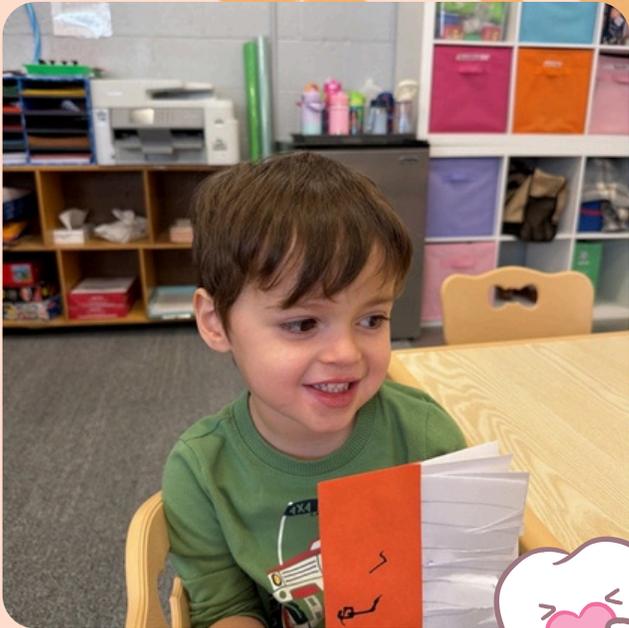

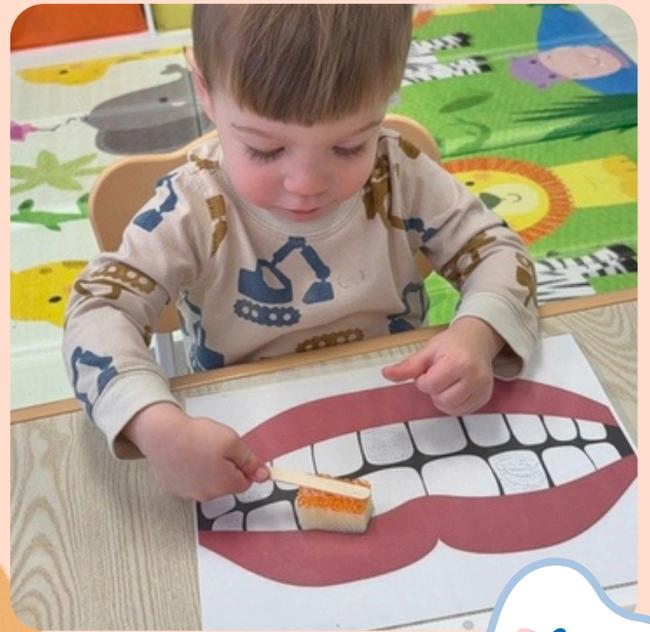

DENTAL HEALTH WEEK

During Dental Health Week, children learned how to keep their chompers in tip-top shape! They learned about tooth-friendly snacks versus the sneaky ones that aren't so nice, and even got to play dentist!

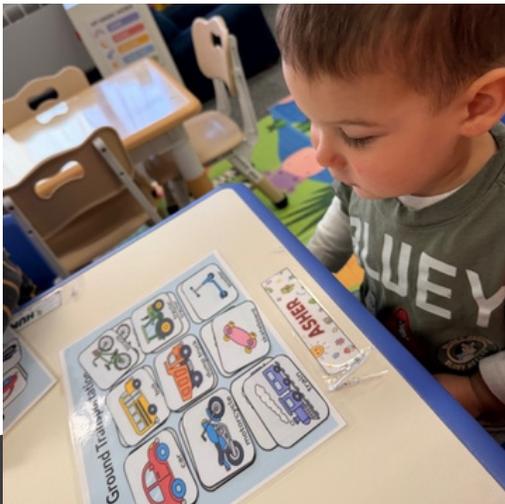

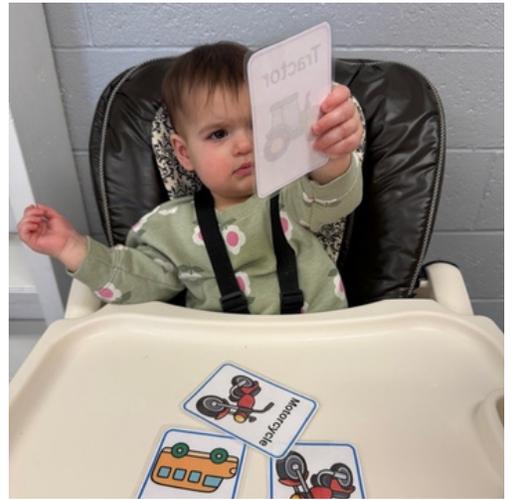

GROUND TRANSPORTATION

OUR STUDENTS HOPPED ON BOARD TO EXPLORE GROUND TRANSPORTATION ADVENTURES! CHILDREN HAD THE OPPORTUNITY TO LEARN ABOUT THE MANY DIFFERENT MODES OF TRANSPORTATION SOCIETY USES TO GET TO THEIR DESTINATIONS!

THANK YOU!

Thank you for being part of the Watch Me Grow family. We're excited to watch your little ones grow and learn with us!!
